(1) In the Bangalore and Mysore cities the tax on buildings is levied at not more than 6/ on the annual rental value of the buildings whereas in Davangere and other municipalities it is levied at 8 annas for every 100 rupees of the market value upto Rs 2000 with 4 annas for every 100 in excess thereof. The basis of taxation is different in the two cases But the proportion of the proposed water tax to building tax is all the same except as regards mandies and shops in which case the proportion is slightly higher in Davangere As the Municipal Councils' proposals have not given rise to any objection on the part of the rate payers, through duly notified the proposal may be sanctioned

S i r,

I have the honor to state that the Municipal Council of Davangere in their meeting held on 25th April 1917 proposed to levy an annual general water rate at 50% on the tax on buildings and vacant lands and at 20% on mohatarfa shop tax and published the fact on 26th idem in the town by circulation of a notice and invited objections of any to the proposed levy. As no objection was preferred by any one to the said levy, the council in their meetings held on the 27th August 1917 and 19th September 1917 resolved that the rate be adopted and that a needful addition be made to the schedule of taxes 'A' appended to rules framed by the Council and sanctioned in Government order No 2441/111 69-14-137 dated 20th September 1915 A draft addendum proposed to the schedule in question is enclosed herein together with the extracts from the proceedings of the meetings of the council on the subject

2. The annual maintenance charges of the Davangere water works come up to about Rs 17,000 as per present estimate and the income expected from the proposed levy of the water rate is nearly Rs 4640 which is only about ¼ of the annual maintenance charges The Municipality has to meet the remaining large portion of the charge in question from its general revenues

3 I request that in the above circumstance, the proposal of the Council to levy the general water tax may be sanctioned with

effect from the current year and that the addition to the schedule may also be caused to be published in the Gazette and ~~that~~ 25 spare copies supplied to this office.
